Gentlemen:

We are wondering what procedure to follow in getting a birth-date changed after it has been reported for several months.

The case above mentioned is for Betty Mae Carlley of Wilder, Idaho who died at her home there November 12, 1952. At that time Mr. Carlley gave us her birth-date as April 9-1889. After checking some old family records he now finds her birth-date to be April 9, 1886. He is anxious to get the correct date on the permanent filing.

We will be glad to comply with what you advise us to do.

Very truly yours
Nell Wilson - Nell -
